

June 7, 2021

To our valued customers,

We are excited to announce that Kingspan Light + Air has signed a definitive agreement to acquire Major Industries, Inc. This acquisition is expected to be finalized in the coming weeks pending regulatory approval.

At Kingspan Light + Air, we believe that good design can have a profoundly positive effect on the built environment and improve the way that we work, learn, play and live. Combining Major's value-added product portfolio along with their best-in-class customer service focus to KLA's deep system portfolio we are provided greater opportunities to exceed your expectations for daylighting solutions.

We are committed to providing an excellent customer experience and in support of that commitment, both KLA and Major will continue to operate as independent companies for the foreseeable future. As such, it's business as usual -- all existing and quoted orders will remain unchanged, and you will not experience any interruption to your business as a result of this acquisition. If you have questions, please contact your Kingspan Light + Air or Major Industries representative.

Thank you for your continued support of Kingspan Light + Air and Major Industries.

Sincerely,

A handwritten signature in black ink, appearing to read "Bill Hogan". The signature is stylized and somewhat abstract, with several loops and a long horizontal stroke at the end.

Bill Hogan
President, The Americas
